

2024 PlumFresh Member Agreement

Plum Granny Farm is offering *PlumFresh* as a membership subscription program for a weekly bag of our fresh fruits and vegetables. The program is designed for flexibility for the members – the bag is fully customizable, you can let us know if you need to skip a week, and payment can be made in advance or on a weekly basis. We have one share size for 2024 which is our Regular Bag (\$30 per week).

It is important to understand that as a *PlumFresh* member, you are not just purchasing produce; your commitment supports our farm. You are forging a partnership with the farm. It is not simply a transactional relationship. By regularly getting your bag, you help us better plan and manage our growing and harvesting. Partnering with us helps sustain a local farm with a commitment to Organic, responsibly produced and quality food. It also allows us to provide good jobs and support our local community.

By signing up for *PlumFresh* and submitting a deposit, you acknowledge that you agree to the following terms of Membership:

- 1) You are joining *PlumFresh* for the 2024 Season which runs from June until November. You can cancel your weekly bag in advance if you are out of town, etc. through your online Farmigo account. Each member may cancel his/her bag up to FOUR times through the season without penalty. After the 4th cancellation, the member is charged for the bag.
- 2) You may cancel your membership at any time but if you cancel prior to the first three bags, you will forfeit your deposit.
- 3) You will manage your *PlumFresh* transactions (bag changes, payment, delivery holds, etc.) through your online Farmigo account.
- 4) You will pre-pay or pay upon pick-up of the bag.
- 5) Unless prior arrangements have been made, you will pick up your bag at the location that you set at sign-up. If you do not cancel a bag by the cut-off time and do not pick up your bag, you will be charged, and the bag will be donated.

Additional program guidelines may be added prior to the beginning of the season.
