Beautiful Organic plants to make your garden G-R-O-W!

Our 5th Annual

Spring Plant Sale

Do you want to jumpstart your garden with some cool-season plants?

You'll find hundreds of Certified Organic transplants that enjoy cooler Spring temperatures including kale, lettuce, cabbage, snap peas, Swiss Chard and lots more to kick off your growing season. In addition, we have Herbs, Everbearing Strawberry Plants, Seed Potatoes, Onion Transplants and Irises.

New this year: **Organic Asparagus Crowns!** Our asparagus patch is being turned over to a new planting of blackberries, so we are digging up all of the plants. These big, beautiful crowns will produce for years! We have both Jersey Knight and Purple Passion.

We will also have a variety of organic soil amendments, fertilizers and garden supplies to keep your plants strong and healthy.

Join us on Friday, March 21 and Saturday, March 22 to find just the right plants for your garden! Hours both days are 10 am - 3 pm.

We can't wait to see you!
